

A Soul of Leadership Alumni Offerings

2025 - 2026

Open to all past participants in
Soul of Leadership and Feed Your Soul
Choose one or both.

Option 1: The Work of Leading Together: Quarterly Virtual Group Tuesdays 4:00-5:30 (December 2, January 6, February 3, April 7) Facilitators: Ed Kaufman, Nancy MacKay, and Rick Swanson

These sessions will enable you to continue to deepen the familiar Soul of Leadership experience you have come to appreciate. We will provide the time, space and facilitation for you to slow down and reflect while connecting, listening, sharing and giving and receiving support with trusted colleagues.

We will also introduce the Leading Together work for School Teams that your school may want to participate in next year. We will discuss how the building of relational trust, the promotion of deeper collaborative work, and the strengthening of staff and community bonds are incredibly important for educators at this time.

Our hope is for you to emerge from each meeting feeling **refreshed, surprised, and less burdened than when you came** and able to reconnect with the "beauty you love."

Option 2: Annual Alumni Spring Retreat Thursday, March 12, 2026

Connor's Center in Dover

Facilitators: Ed Kaufman, Pamela Seigle and
Rick Swanson

The retreat will continue to provide the time, space, and facilitation to allow you to:

- Slow down, reflect and renew yourself in preparation for the end of the school year rush.
- Connect, share, and receive support from trusted colleagues who have participated in Soul of Leadership.
- Reconnect to the work of Soul of Leadership and engage in some familiar and new reflective experiences, as well as think together about how SoL can continue to support you on your journey as a school leader.

Celebrate your work as leaders who embody courage, presence, and integrity.

\$ Virtual Group Sessions Only: \$250
Retreat Only: \$250
Virtual Group & Retreat: \$400 Save \$100 on registration if you
sign-up for both options
