Massachusetts High School Student Council Advisors Needed

for Research Study

Your experience and insights can help strengthen student leadership programs across Massachusetts!

I am conducting a qualitative research study focused on understanding the experiences, motivations, and support systems of Massachusetts high school student council advisors who have demonstrated long-term commitment to student leadership programs.

PURPOSE OF THE STUDY

This study seeks to explore:

- ✓ What motivates advisors to remain in their role for multiple years
- ✓ How advisors perceive administrative support and available resources
- ✓ Ways schools can better retain successful student council advisors and sustain strong student leadership programs

The findings from this study may help schools improve support systems for advisors and strengthen student leadership opportunities for students statewide.

WHO CAN PARTICIPATE?

Participants must:

- ✓ Currently serve as a high school student council advisor in a school that is a member of the MSAA
- ✓ Have served as a student council advisor for at least three consecutive years
- ✓ Be a full-time educator in the school where they advise

WHAT PARTICIPATION INVOLVES

- 📺 One semi-structured interview conducted via Zoom
- 🕒 Approximately one hour
- 🔒 Responses will remain confidential and used only for research purposes

RESEARCH QUESTION

What factors influence Massachusetts high school student council advisors' decisions to remain in the advisor role?

WHY PARTICIPATE?

By participating, you will help contribute to:

- ★ Greater understanding of advisor retention
- ★ Improved support for student leadership programs
- ★ Stronger opportunities for future student leaders across Massachusetts
